Notification dated 5th April 1952.

No. J1. C. 3—52-53. Under the powers vested in me by Rule 461 of the Mysore Motor Vehicles and Road Traffic Rules, 1945, I, Sri K. M. Narasimhaiya, B.A., District Magistrate, Hassan District, do hereby notify for the information of the motoring public of Hassan District that many motor vehicles are seen on the road at nights with dazzling head lights thereby causing danger and undue inconvenience to persons (and other vehicular traffic). The following rules are reproduced from the Mysore Motor Vehicles and Road Traffic Rules, 1945. These rules should be strictly adhered to and any contravention of these rules will lead to prosecution.

Rule 28: Height from grounds. No lamp showing a light to the front shall be fixed so that the centre of the lamp is more than five feet from the ground.

Exemption: Provided that this provision shall not apply to:

(*i*) the internal lighting of any motor vehicle, or
(*ii*) any light necessary to illuminate the route board of a public service vehicle, or
(*iii*) the red light on the vehicle conveying His Highness the Maharaja, and
(*iv*) the red light on the vehicle conveying His Excellency the Governor of Madras.—

Rule 285—Front lamps: Deflection of light No lamp showing a light to the front shall be used on any vehicle unless such lamp is so constructed, fitted and maintained that the beam of light emitted therefrom.

(1) is permanently deflected downwards to such an extent that it is at all time incapable of dazzling any person, standing on the same horizontal plane as the vehicle at a greater distance than 25 feet from the lamp and whose bye-level is not less than 3 feet ..... inches above that plane, or

(2) can be deflected downwards or both downwards and to the left by the driver in such a manner as to render it incapable of dazzling any such person in the circumstances aforesaid, or

(3) can be extinguished by a device which brings into or leaves in operation lights which are deflected downwards and outwards in such manner as to be incapable of dazzling any person in the circumstances aforesaid.

Rule 286—Exemption: Rule 285 shall not apply to any lamp fitted with an electric bulb, if the power of the bulb does not exceed seven watts and the lamp is fitted with frosted glass or other material which has the effect of diffusing the light.

Rule 461—Dazzling lights—Restriction of: The driver of a motor vehicle shall, at all times when the lights of the motor vehicles are in use, so manipulate them that danger or undue inconvenience is not caused to any person by dazzle.

If the head lights of a motor vehicle are not fitted with frost glass as mentioned in rule 286, the following methods may be adopted to minimise the glare from head lights:—

(*a*) placing pink paper over the lower half of the reflector, or
(*b*) painting the upper half of the glass white, or
(*c*) coating the bulb with white paint.

NOTE—The above methods will not apply to vehicles with dip and dim arrangements.

K. M. NARASIMHAIYA,
District Magistrate.
